Tornati in patria (di qui il titolo), i tre spostano gli aghi della bilancia, privilegiando l'ingrediente pop rispetto a quello rock e "cantautorale". I nostalgici del suono (e del sogno) californiano, però, non resteranno insensibili di fronte a *Don't Cross The River* e *Ventura Highway*, soffice apoteosi di voci sognanti e chitarre acustiche pizzicate con soave leggerezza. Altre canzoni (*Only In Your Heart*, *To Each Is Own*) portano invece al proscenio il pianoforte di Beckley.
